

## **Commonly Missing Items for Transient Rentals Inspections**

2A10BC Fire Extinguisher

Binder w/Prop Information Sheet and Fire Escape Plan

Smoke Detectors

Carbon Monoxide Detectors

Combustible Gas Sensor

(Only applicable if Propane is present in unit)

Ash Can with Lid

(Only applicable if there is a wood burning fireplace)

Power Failure Egress Light

Eastern Sierra Home Inspections can install the above items to ensure you pass at time of inspection. Applicable fees apply.

Once the Inspection has been submitted and all items installed the approved inspection form will be sent to the Town of Mammoth Lakes and you will be cc'd on the email.
